# Airmaster Rectifiers Private Limited

<https://www.indiamart.com/airmasterrectifiersnewdelhi/>

Airmaster was founded by Sh R N Kanwar in 1941. Later on we expanded in the field of Rectifiers then to other type of Power Semiconductor Devices.

## About Us

Airmaster was founded by Sh R N Kanwar in 1941. Later on we expanded in the field of Rectifiers then to other type of Power Semiconductor Devices. In the year 1988, Airmaster Rectifiers Pvt. Ltd. was founded and Registered. Airmaster Rectifiers pvt. Ltd is authorised distributor/ wholesaler of various reputed Power semiconductor companies. We are well known for selling genuine products at competitive prices. We are specialist in providing solutions for hard to find / obsolete products. We maintain sufficient stock to meet emergency/breakdown requirements, which gives us edge on competitors. We are also direct importer of power semiconductor devices like thyristor, Diodes, Modules, Bridge rectifiers IGBT etc. We market these products in the brand name of AMR.
